

TECHNICAL ASSISTANCE

CONSULTING

SCCLF provides hourly and contract consulting services to non-profit, for profit and governmental organizations in the preparation of grant applications, funding applications, development budgets, operating pro formas, underwriting, site selection, and program and organizational assessments.

TRAINING

SCCLF provides fee-based training to non-profit organizations and for profit businesses to facilitate the financing and development of affordable housing, healthy food retail outlets, community facilities, and community businesses. New and advanced developer training classes are available.

PROGRAM SERVICES

SCCLF provides contract services to local municipalities to facilitate the implementation of housing and community development program goals and objectives.
